

## ABOUT ME

I am a creative designer with 5+ years of experience creating results-driven graphics and promotional materials for clients.

I graduated with a Design Media Arts degree, which combined the world of Graphic Design and Communication. With interests ranging from user experience, programming to graphic design, I feel very confident I can bridge the gap between many areas of expertise.

## EXPERIENCE

Nov 2017 - Present

**Web Designer**, Empire State Youth Orchestra

I am a four-year returning contractor for Empire State Youth Orchestra to create and propose new web pages and come up with general graphic solutions for usability. In addition to ESYO, I have worked with other small businesses to make websites.

Fall 2018

**Digital Media Tutor**, Hudson Valley Community College

Tutored students in a computer lab on their projects that involved Photoshop, Premiere, Illustrator, HTML & CSS, and more. I was referred by professors teaching *Video Art* and *Web Art & Design*.

May - July 2019

**Video Editor Internship**, Stetson

Over the summer of 2019 I interned at Stetson in their Manhattan office. I worked along side an incredibly talented team of people where I worked on video- related projects and other side projects.

Summer 2020, Spring 2021

**Creative Director & Video Editor**, Empire State Youth Orchestra

I was the creative director and video editor for ESYO's Sounding Together virtual festival which took students performances recorded at home into a three day long festival. I worked alongside their marketing director Justin Cook, to produce a variety of videos. I also worked with ESYO's music director, Carlos Ágreda, to create the first 360° at-home orchestra, which combined over 100 musicians into one performance.
